## Let Us be Your Guide

- One hour indigenous-led discovery consultation with your organization's administration around TRC Calls to Action, and how to apply them in your organization.
- Four interactive webinars (three hours each) over a 4-week period for your team. Topics include:
  - What is systemic racism and how does it impede quality service standards?
  - Decolonizing workplace culture.
  - Indigenous Laws and their parallels with current environmental, social and governance (ESG) practices.
  - Co-creating a roadmap for the application of Calls to Action for your organization.
- Summary document with measurable outcomes.
